9 VERNON HARRIS,

10 Plaintiff,

11 vs.

12 SUPERIOR COURT OF THE STATE OF
13 ARIZONA IN AND FOR THE COUNTY
OF MARICOPA; et al.,

14 Defendants.
15

No. CIV 02-0494-PHX-SMM

ORDER

16 Pending before the Court is Defendants' Motion to Correct the Docket. (Dkt. 326.)
17 Defendants contend they have discovered "what appear to be errors in the docket entries," and
18 request those entries be corrected. With one exception, the Court denies this request:

- 19 1. Docket numbers 235, 236, 237, 238, and 240 do appear on the Court's docket.
20 Thus, no correction is warranted.
- 21 2. All five exhibits attached to docket number 285 appear on the document
22 maintained in the computer database. Thus, no correction is warranted.
- 23 3. Although the "file dates" for docket numbers 294, 298 through 300, and 316
24 through 320 are do not appear to be the dates on which such documents were
25 filed, and most likely refer to the date such documents were sealed, the filing
26 dates may not be corrected because it would alter the docket numbers assigned
27 to those documents. Throughout the pendency of this case, the Court has cited
28 to documents by their assigned docket numbers. To reorganize the docket

1 numbers at this point in the case would unnecessarily interfere with these
2 proceedings by rendering citation of documents in the Court's previous orders
3 unintelligible. Thus, no correction is warranted.

- 4 4. Document number 297 is a response to document number 236, not document
5 number 235 as the docket reflects. This error can be corrected without disturbing
6 the docket numbers of other documents. Thus, this error warrants correction.

7 Accordingly,

8 **IT IS HEREBY ORDERED DENYING IN PART AND GRANTING IN PART**

9 Defendants' Motion to Correct the Docket as detailed below. (Dkt. 326.)

10 **IT IS FURTHER ORDERED** that the Clerk of Court shall correct docket entry number
11 297 to reflect that it is a response to document number 236, not document number 235.
